Converted coverage does not include the accelerated life benefit or the Accidental Death and Dismemberment benefit, if elected.

Continuous Coverage

Protection for Accidental Death and Dismemberment (AD&D)

The unexpected financial “shock” of an accident can be devastating to a family. That’s why this plan offers a special accident safeguard. The accidental death and dismemberment benefit (AD&D) option pays your beneficiary the amount of coverage you select if you die in a covered accident. AD&D is available for member, spouse and children if the covered individual also has life insurance. Members may apply for AD&D in the amount of \$10,000 to \$500,000, in \$5,000 increments. Spouses may apply for AD&D in the amount of \$5,000 to \$250,000, in \$5,000 increments (not to exceed 50% of member’s AD&D amount). Children may be insured for up to \$10,000 of AD&D, in \$2,000 increments.

In addition, if you are dismembered or lose your sight in a covered accident, you will receive a portion of your coverage, depending on the accident’s severity.
