## **Evidence of Insurability Limits**

Evidence of insurability satisfactory to UNUM is required for:

- Monthly Benefit Maximum Amount(s) greater than \$4,000; or
- an Unlimited Lifetime Maximum Amount.

If UNUM approves your evidence of insurability (i.e. Application for Long Term Care Insurance), the "PRE-EXISTING CONDITIONS EXCLUSION" will be waived for your entire amount(s) of insurance. If UNUM disapproves your evidence of insurability, you will be insured for the amount selected up to the amount that does not exceed the evidence of insurability limit(s). The "PRE-EXISTING CONDITIONS EXCLUSION" will apply.

## **CHANGES IN COVERAGE**

### For an Active Employee:

You can apply at any time to change coverage by filling out a new Benefit Election Form and Application for Long Term Care Insurance which includes evidence of insurability. Changes in coverage will take effect at 12:01 a.m. on the first day of the pay period in which deductions are taken from your pay after UNUM approves your application. The premium rate to be paid for any change in coverage is based on your insurance age. To determine insurance age, subtract your date of birth from the date you are applying for the change in coverage.

### For Direct Billed Persons:

You can apply at any time to change coverage by filling out a new Benefit Election Form and Application for Long Term Care Insurance which includes evidence of insurability. Changes in coverage will take effect at 12:01 a.m. on the first day of the month on or next following the month in which UNUM approves your application. The premium rate to be paid for any change in coverage is based on your insurance age. To determine insurance age, subtract your date of birth from the date you are applying for the change in coverage.

## **WHEN CHANGES IN COVERAGE WILL BE DELAYED**

Changes in your coverage will not begin if you are absent from work because you are injured, sick, temporarily laid off or on a leave of absence on the date that the coverage would normally begin. Coverage will begin at 12:01 a.m. on the first day of the pay period in which deductions are taken from your pay after you return to work as an Active Employee.

## **DISCRETIONARY AUTHORITY**

In making any benefits determination under the Policy, UNUM will have the discretionary authority both to determine your eligibility for benefits and to construe the terms of the Policy.

## **BENEFIT INFORMATION**

### **WHEN YOU ARE ELIGIBLE FOR A MONTHLY BENEFIT**

You are eligible for a Monthly Benefit after:

- you become Disabled;
- you are receiving services in a Long Term Care Facility or Assisted Living Facility; (or Professional Home Care Services if your plan includes a Professional Home Care Service Benefit);(or Total Home Care if your plan includes a Total Home Care Benefit);
- you have satisfied your Elimination Period; and
- a Physician has certified that you are unable to perform (without Substantial Assistance from another individual) two or more ADLs for a period of at least 90 days, or that you require Substantial Supervision by another individual to protect you and others from threats to health or safety due to Severe Cognitive Impairment. You will be required to submit a Physician certification every 12 months.

A Monthly Benefit will become payable once all of these requirements are met.

The treatment and services you receive for your Disability must be provided pursuant to a written plan of care developed by a Licensed Health Care Practitioner.

If you have an existing loss of ADLs or Severe Cognitive Impairment on your effective date of coverage, that loss or impairment will only be eligible for coverage if you recover from that loss or impairment. We must receive acceptable proof of your ADL or cognitive recovery, such as a Physician's statement or an assessment.

### **AMOUNT OF MONTHLY BENEFIT**

The amount of your monthly benefit will be based on the coverage options you chose from the SCHEDULE OF BENEFITS and the place of residence used for long term care. See your Confirmation of Benefits form to determine the amount we will pay you each month.

A monthly benefit payable for less than one month will be paid at the rate of 1/30th of the monthly benefit amount for each day you are eligible for a monthly benefit.

### **WHEN MONTHLY BENEFITS ARE PAID**

UNUM will send you a lump sum payment to cover the period between the day you became eligible for monthly benefit payments and the day you were approved for these payments. UNUM will then send you a payment each month for days you were eligible to receive benefits during the prior month.

### **WHEN MONTHLY BENEFIT PAYMENTS END**

We will continue monthly benefit payments until the earliest of the following dates:

- the date you are no longer Disabled;
- the expiration of your Physician certification;

- the date you are no longer eligible for a monthly benefit under the plan of coverage you chose;
- the date your total benefit payments equal the Lifetime Maximum Amount; or
- the date you die.

### **WAIVER OF PREMIUM**

Once benefits become payable, there will be no more cost for your coverage as long as you are Disabled. If benefits are no longer payable, you **must** resume premium payments to continue your coverage. Premiums are **not waived** while you are receiving a payment for Respite Care.

### **RECURRENT DISABILITY**

You will not have to complete a new Elimination Period if you become Disabled again after the date we stopped making monthly benefit payments to you for your previous Disability.

### **RESPITE CARE BENEFITS**

If you are eligible for a home care benefit but are not yet receiving monthly payments because you:

- have not yet completed the Elimination Period; or
- have completed the Elimination Period but have chosen to postpone receipt of benefits in order to preserve your Lifetime Maximum Amount

we will pay a benefit equal to 1/30th of your home care benefit for each day that you receive Respite Care up to a maximum of 15 days per calendar year.

Payments made to you for respite care will reduce your Lifetime Maximum Amount.

Respite Care may be provided to you by:

- a formal caregiver, such as a Home Health Care Provider, an adult day care facility, a registered nurse, a licensed practical nurse, etc., or
- an informal caregiver such as your friends or relatives.

### **BED RESERVATION BENEFIT**

If you are receiving a Long Term Care Facility or Assisted Living Facility monthly benefit and your stay in the Facility is interrupted because you are hospitalized, we will continue to pay the monthly benefit if a charge is made to reserve your accommodations in the Facility.

If your stay is interrupted because you are hospitalized while you are completing your Elimination Period, such days will be used to help satisfy this period.

Bed Reservation days will be limited to 15 days per calendar year.

## LIMITATIONS AND EXCLUSIONS

UNUM will not make long term care payments to you for:

- a Disability caused by war (whether declared or not) or any act of war;
- a Disability caused by attempted suicide (while sane or insane) or self-destruction;

- Disabilities or confinements during which you are outside the United States, its territories or possessions for longer than 30 days;
- a Disability caused by alcoholism or alcohol abuse;
- a Disability caused by voluntary use of any controlled substance unless the controlled substance is prescribed for you by a Physician. ("Controlled substance" is defined in Title II of the Comprehensive Drug Abuse Prevention and Control Act of 1970 and all amendments.);
- a period in which you are confined in a hospital other than if you are confined in a nursing facility that is a distinctly separate part of a hospital, (this exclusion does not apply to those periods covered under the Bed Reservation Benefit); or
- a Disability caused by psychological or psychiatric or mental conditions, regardless of cause, which include:
  - depression,
  - generalized anxiety disorders,
  - personality disorders,
  - schizophrenia,
  - manic depressive disorders, or
  - adjustment disorders

and other conditions that are usually treated by a mental health provider or other qualified provider using psychotherapy, psychotropic drugs or similar methods of treatment.

However, UNUM will make payments to you for conditions that are not psychological, psychiatric or mental in nature, including Alzheimer's disease or similar forms of irreversible dementia.

### PRE-EXISTING CONDITIONS EXCLUSION

A pre-existing condition is any condition that exists for which you:

- received medical treatment, consultation, care, or services, including diagnostic measures for the condition, or
- took drugs or medicines that were prescribed for the condition,

during the six month period right before your coverage began.

UNUM will not make any payments to you for a Disability that:

- is caused by, contributed to by, or results from a pre-existing condition,  
and
- begins during the first six months after your coverage begins.

## REHABILITATION AND ALTERNATE CARE PLANS

While you are Disabled, we may suggest special services and /or equipment designed to help you regain the ability to independently perform the Activities of Daily Living. The services/equipment must be necessary and appropriate for your Disability and provided pursuant to a plan of care developed by a Licensed Health Care Practitioner. The services or equipment must be intended to assist you in living at home or other residential housing by eliminating your need for Substantial Assistance. The services or equipment cannot be covered by other insurance or Medicare. Examples of alternate care plans may include, but are not limited to:

- a rehabilitation program;
- home modifications for wheelchair access; and
- certain types of medical equipment, emergency medical response systems or hardware purchases.

The terms of an alternate care plan and the actual expenses that UNUM will pay will be subject to written mutual agreement between UNUM, you and your Physician.

If, for any reason, you do not wish to participate in an Alternate Care Plan, your benefits will continue according to the provisions of the Policy.

## CLAIM INFORMATION

### NOTICE OF CLAIM

You must give us written notice of claim within thirty (30) days of the date you become Disabled. If it is not possible for you to give us notice within this time period, it must be given as soon as reasonably possible.

If you do not have a Long Term Care Notice of Claim Form, you can get one from the Policyholder's Plan Administrator, or your UNUM representative, or you can notify UNUM in writing that you want to make a claim. If you do not receive the form from UNUM within 15 days after writing, send UNUM proof of the claim without the form.

### PROOF OF CLAIM

You must send UNUM proof of claim for long term care payments no later than 90 days after the date you become Disabled. If you cannot send UNUM proof within this 90-day period, you must send UNUM proof as soon as it is reasonably possible to do so, but in no event more than one year after the time this proof is required, unless you are legally incapacitated.

The proof of your claim must include:

- the date your Disability occurred;
- the cause of the Disability;
- the extent of your Disability;
- certification by a Physician that you are unable to perform (without Substantial Assistance from another individual) two or more ADLs for at least 90 days, or that you require Substantial Supervision by another individual to protect yourself and others from threats to health and safety due to Severe Cognitive Impairment;
- your written plan of care developed by a Licensed Health Care Practitioner;
- such other proof as we may deem necessary.

You must give UNUM proof of continued Disability at intervals requested by us. Such proof must be given within 30 days of our request. If it is not possible for you to give us proof of continued Disability within this 30-day period, it must be given as soon as possible. However, proof of continued Disability must be given no later than one year after the time proof is otherwise requested.

UNUM, at its expense, may also require a claims assessment as part of the proof of claim. A claims assessment means a review done by UNUM or its designated representative to help in evaluating the Disability. It may include a face-to-face interview with you at a location selected by UNUM or its designated representative.

### HOW TO FILE A CLAIM

You must fill out a Long Term Care claim form and send it to UNUM. If you do not have enough information to complete the form, you may send in the Notice of Claim postcard that is attached to the claim form. The claim form must be submitted when all information is available.

After you have filed a claim, UNUM may also require you to be examined by a Physician or other medical practitioner of UNUM's choice. UNUM will pay for the examination. UNUM can require an examination as often as it is reasonable to do so. UNUM may require you or your authorized representative to give authorization to obtain additional medical and nonmedical information as part of the proof of claim.

### **LEGAL ACTION**

You or your authorized representative may not start legal action on your claim before 60 days after proof of loss has been given to UNUM or more than 5 years from the time proof of loss was required.

### **DENIED CLAIMS**

In the event that your claim is denied, either in full or in part, UNUM will notify you in writing within 90 days after your claim form was filed. Under special circumstances, UNUM is allowed an additional period of not more than 90 days (180 days in total) within which to notify you of its decision. If such an extension is required, you will receive a written notice from UNUM indicating the reason for the delay and the date you may expect a final decision. UNUM's notice of denial shall include:

1. the specific reason or reasons for denial with reference to those Policy provisions on which the denial is based,
2. a description of any additional material or information necessary to complete the claim and an explanation of why that material or information is necessary, and
3. the steps to be taken, if you or your beneficiary wish to have the decision reviewed.

Please note that if UNUM does not respond to your claim within the time limits set forth above, you should automatically assume that your claim has been denied and you should begin the appeal process at that time if you feel that your claim should not have been denied.

### **HOW TO APPEAL A DENIED CLAIM**

You, or your authorized representative may appeal a denied claim within 60 days after you receive UNUM's notice of denial. You have the right to:

1. submit a request for review, in writing, to UNUM,
2. review pertinent documents, and
3. submit issues and comments in writing to UNUM.

UNUM will make a full and fair review of the claim and may require additional documents as it deems necessary or desirable in making such a review. A final decision on the review shall be made not later than 60 days following receipt of the written request for review. If special circumstances require an extension of time for processing, you will be notified of the reasons for the extension, and a decision shall be made not later than 120 days following receipt of the request for review. The final decision on review shall be furnished in writing and shall include the reasons for the decision with reference, again, to those Policy provisions upon which the final decision is based.

## **ERRORS RELATED TO YOUR COVERAGE**

UNUM has the right to correct benefit payments which are made in error. You have the responsibility to return any overpayments to UNUM. UNUM has the responsibility to make additional payments if any underpayment has been made.

## TERMINATION OF COVERAGE

Your coverage will end on the earliest of these dates:

- the date your total benefit payment equals your Lifetime Maximum Amount,
- the date the Policy ends,
- the date you are no longer an Active employee with the Policyholder,
- the date you no longer work for the Policyholder,
- the end of the period for which premiums were last paid to UNUM for your coverage, or
- the date you die.

If you are absent from work at the Policyholder for any reason, you will continue to be covered for group coverage if the Policyholder continues to pay premiums to UNUM.

## EXTENSION OF BENEFITS

Termination of coverage will not affect any benefits payable if disability began while your long term care insurance was in force, and continues without interruption after termination. Such extension of benefits will be limited to the duration of the payment of the Lifetime Maximum Amount.

## CONTINUATION OF COVERAGE

If group coverage ends, you may elect converted coverage which means that the same coverage you had under this plan can continue on a direct billing basis. If you are already direct billed, your coverage will automatically transfer to converted coverage.

You may not elect converted coverage if your coverage ended because you stopped paying premiums or if you are not insured under this plan.

Election for converted coverage must be made within 31 days of the date the group coverage ends. You must pay premium directly to UNUM for any converted coverage to be continued.

The premium rate schedule for converted coverage may change in the future, depending on the overall use of the benefits by all insured persons or changes in the benefit levels or other risk factors. Any such change will be made on a class basis according to UNUM's underwriting risk studies.

Once you have converted your coverage, you can apply at any time to change your coverage by contacting UNUM's Home Office. You will need to complete the necessary forms which may include evidence of insurability.

## GENERAL INFORMATION

### STATEMENTS

UNUM considers any statements you make for insurance in any signed application(s) for initial coverage and/or any subsequent changes in coverage to be complete and true to the best of your knowledge and belief. All statements made in any application are considered representations and not warranties (absolute guarantees). If any of these statements are not complete and/or not true at the time they are made, UNUM can:

- reduce or deny any claim, or
- terminate insurance from the original effective date.

UNUM must use only the statements made in the signed application(s) as a basis for doing this.

Except for fraud, UNUM can take these actions only in the first 2 years your coverage is in force. There is no time limit for UNUM to take these actions if any statements are fraudulent.

### INCONTESTABILITY

For a certificate that has been in force for less than six (6) months, UNUM may rescind coverage or deny an otherwise valid long term care insurance claim upon a showing of misrepresentation that is material to the acceptance for coverage.

For a certificate that has been in force for at least six (6) months but less than two (2) years, UNUM may rescind coverage or deny an otherwise valid long term care insurance claim upon a showing of misrepresentation that is both material to the acceptance for coverage and which pertains to the condition for which benefits are sought.

After a certificate has been in force for two (2) years, it is not contestable upon the grounds of misrepresentation alone, such certificate may be contested only upon a showing that the insured knowingly and intentionally misrepresented relevant facts relating to his/her health.

### AGENCY

For all purposes of the Policy, the Policyholder acts on its own behalf or as your agent. Under no circumstances will the Policyholder be deemed UNUM's agent.

### PREMIUMS

The premium due must be paid within the grace period. If premium is not paid within this time, your coverage will terminate at the end of the grace period.

The premium rate will not increase because you grow older or because of your use of the benefits. However, the premium rate schedule may change in the future depending on the overall use of the benefits by all insured persons or changes in the benefit levels, plan design or other risk factors. Any such change will be made on a class basis according to UNUM's underwriting risk studies under this type of insurance.

## **REINSTATEMENT**

If your coverage terminates because a premium is not paid by the end of the Grace Period, you may request to reinstate your coverage at any time until six months from the coverage termination date.

In order to reinstate your coverage, the following requirements must be met:

- you must complete a reinstatement application;
- UNUM must approve that reinstatement application; and
- you must pay all unpaid premium.

If UNUM approves your reinstatement application, reinstatement will take effect on the date your coverage was terminated for non-payment of premium.

The reinstatement coverage WILL NOT cover any Disability which is excluded by name or description in the Policy.

## **REINSTATEMENT OF TERMINATED COVERAGE DUE TO DISABILITY**

If you become Disabled and your coverage terminates because premium is not paid by the end of the Grace Period, you may request to reinstate your coverage at any time until five months from the coverage termination date.

In order to reinstate your coverage, the following requirements must be met:

- you must provide proof that your Disability occurred prior to the coverage termination date; and
- you must pay all unpaid premium.

If you meet these requirements, we will reinstate your coverage on the coverage termination date.

The reinstatement coverage WILL NOT cover any Disability which is excluded by name or description in the Policy.

## **POLICY RENEWABILITY**

The Policy is renewable at the option of the Policyholder and UNUM. This means that your coverage under the plan may be changed or ended at the option of the Policyholder or UNUM. If your coverage is ended by the Policyholder or UNUM, you will have a guaranteed right to elect converted coverage.
